

Video Content & Editing Intern Singularity University

Team Assignment: Marketing

Start Date: March 2026

Singularity University is looking for a fast, creative Video Content & Editing Intern to help transform hours of expert talks and course content into engaging social media videos.

Our programs feature leading voices in technology, innovation, and leadership. Your role will be to identify compelling moments and turn them into short-form videos designed to capture attention and spark conversation online.

What You'll Do

- Edit short-form videos for social media from our library of program recordings and talks
- Create engaging clips optimized for platforms like LinkedIn, Instagram, and other social channels
- Work quickly to produce a steady stream of video content
- Identify strong moments, insights, and soundbites from longer talks
- Add captions, pacing, and formatting to maximize engagement

What We're Looking For

- Experience editing video content for social media
- Ability to create engaging, fast-paced short-form videos
- Strong sense of storytelling, pacing, and audience attention
- Comfort working quickly and producing content at a fast turnaround
- Familiarity with social media video formats and trends
- Organized, self-directed, and able to manage large volumes of footage

Bonus Skills

- Ability to identify strong moments or quotes from longer presentations
- Interest in topics like emerging technology, leadership, and innovation
- Experience with editing tools such as **Adobe Premiere Pro**, **Final Cut Pro**, or **CapCut**
