

Venture Capital Intern

POSITION REQUESTED

Venture Capital Intern

IS THIS A NEW POSITION?

Yes

POSITION DESCRIPTION

The Venture Capital Intern will engage in short-term, project-based work in a placement at partner organization WestRiver Group. The internship is designed to deliver meaningful, tangible outcomes for the host organization while providing the student with practical, real-world experience in their field of study that will give them an edge when competing for employment or graduate school after graduation.

Ideal Fields of Study: Business, Political Science, Humanities, or related areas

Team Assignment: Investment Team

What the student will do:

- Research emerging sectors such as clean energy, AI, or healthcare innovation
- Create short market snapshots summarizing key trends and startups
- Analyze social and economic implications of new technologies
- Contribute to internal presentations and data organization for the investment team

Strong candidates will have these traits:

- Curiosity about entrepreneurship, investing, and global markets
- Basic understanding of business and financial markets
- Strong research and synthesis skills
- Attention to detail and an interest in data organization
- Analytical mindset and clear communication
